

Product: SurfsUp

Team Name: The Kooks

Sprint Completion: 11/4/18

Revision 1.0

Sprint #3 Report

Actions to stop doing:

- We should stop going off plan when developing features.
- Stop meeting so late cause we're tired when it's late

Actions to start doing:

- We should start sticking to the plan.
- Complete tasks that will have the best payoff for their time

Actions to keep doing:

- Keep communicating with each other about features and pushes
- Keep putting time in and being interested in making it better!

Work completed/not completed:

- Completed:
 - (15) As a user, I want to be able to request a recommendation for myself in the window that takes into account my experience level and live surf data, so that I can have a good surf session.
 - (4hr) Incorporate user skill level into recommendation
 - (4hr) Incorporate all surf data in the time range to make a recommendation.
 - (15) As a user, I want to be able to see my recommended spots on a map, so I can know where exactly the recommended spot is. (Not in Sprint 3 plan)
 - (3hr) Add markers on the recommended spots on map
 - (3hr) Be able to click on the spot to get information about the recommended surf session.

- (4) As a group owner, I want to be able to set a window when my group wants to surf, so the site knows when to recommend a time.
 - (2hr) Have group members be able to choose a time window
 - (2hr) Make sure the time window is the same for everyone
- Uncompleted:
 - (22) As a group, I want to be able to request a surf recommendation for my group in the window, so I know when and where to surf
 - (2hr) Display the groups you are a part of on the surf page
(Completed)
 - (13hr) Have any member request a recommendation for the group and have it saved for everyone (Completed)
 - (7hr) Notify all users of the surf recommendation and time window
 - (4) As a group I want to be able to confirm or deny that a surf session happened, so you can keep track of when you surf
 - (2hr) Ask members to confirm or deny the surf session after the surf window is passed
 - (2hr) If it happened, save the group

Work completion rate:

- 3 user stories completed
- 33 ideal hours completed
- 14 total days
- 2.36 work hours/day
